Optional Plant Tour - Your Transportation

Printing and Publications Services at Omaha Public School Systems has invited all conference attendees to tour their operation between 1 p.m. and 3 p.m. This in-plant operation is listed in In-plant Impressions magazine as a top 50 largest in-plant in the country. Among the services offered this shop is operating a Xerox Brenva ink-jet press. This is a great opportunity for those that are staying an extra day or two to visit the area and see a top notch operation. Details and maps will be provided in the conference program and on the Whova App.

Safe Travels ACUP+ Friends

Let your journey be smooth until we meet again.
