**Bronco Printing Solutions
will remain closed while the
statewide shelter-in-place
order is in effect.**

We stand with our **FSU Bronco** family, in thanking doctors, nurses,
first responders, and all those working during the COVID-19 pandemic.

We can still be reached, via email,

#WePrintCoolStuff

- In January 2020, *Bronco Printing Solutions* assumed the responsibility of providing all printed promotional products for **Fayetteville State University**. We facilitated a promotional items website to provide garments and other imprinted items that we could otherwise not supply. Shortly thereafter, following a temporary closure of our in-plant print shop due to the COVID-19 pandemic, we used our newly-established resources to assist the university in their purchase of more than 600,000 disposable facemasks.
- Because of the establishment of our promotional items online ordering system prior to the pandemic, *Bronco Printing Solutions* saved **Fayetteville State University** approximately \$100,000 on the cost of those 600K masks.
