

2023 ACUP+ Awards

We invite all ACUP+ members to gather your amazing entries and submit them for our annual awards!

Institutions may submit one entry per category, with 24 categories overall in the areas of shop/management initiatives and production excellence.

To be eligible you must be a current ACUP+ member and there is no fee to enter.

Please be sure to completely fill out the submission entry cover sheet for each submission.

How to Enter

- A separate entry form is required for each submission.
- Awards are open to all ACUP+ members. You do not have to attend the annual conference to enter and/or win.
- Submit entries to as many categories as you wish, but you may only enter each category once and cannot submit the same entry in more than one category.
- **Entries must have been accomplished or produced January 1-December 31, 2022.**
- **Entries must be post or courier marked by Tuesday, January 10, 2023.**

Impression Awards

ACUP+ Impression awards span seven categories: Collaborative Service, Green Service, Accelerated Service, Distinctive Service, Impact WOW+, ACUP+ Achiever, and ACUP+ Hall of Fame.

Provide a brief narrative describing an effort your shop accomplished in 2022 related to the specific category entered. Be specific regarding the challenge or initiative you took and the achieved results. You can enter any or all categories *but each individual submission may only be entered once and only in one category.*

For the categories of ACUP+ Achiever and ACUP+ Hall of Fame, you may nominate one of your peers from a member shop.

SUBMIT a PDF of your entry form and additional documents/description along with any photos that help demonstrate the initiative/project.

All impression awards should be submitted via email to June Lewis awards-entry@acup-edu.org.

Production Awards

Digital Production entries in the categories of Single Page, Multiple Page, and Multiple Piece will be further evaluated for two award subcategories: "Small shop" and "Large Shop". Please include your # FTE on the submission form. *Your FTE# (Full Time Equivalent) is a full-time employee with student or part-time help counted as .5 FTE.*

Production submission evaluation for all Offset, Graphic Design, Specialty Printed Products, Decals/Stickers, Operation/Shop Promotion, and Wide Format will not differentiate between small/large shop.

Entry form submission for the Production Awards must be sent through USPS or other courier/express service to:

June Lewis
Kellogg Community College
450 North Ave
Battle Creek, MI 49017
Contact Phone: 269.660.2379

Judging

All entries will be judged by a panel of ACUP+ board members and industry peers, when available, during the annual ACUP+ strategic planning meeting. A guide to general judging criteria for all production categories is attached. If a member of the judging panel is from an institution with a submission in any category, they are excluded from participating in the judging for that category.

Awards Presentation

We will announce the winners at the annual ACUP+ conference on Wednesday, April 5, 2023, at our Gala Dinner and Awards Program. You need not be present to win. Awards will be mailed to the winning members that can't personally accept an award at the conference.

Deadline Reminder

All submissions must be postmarked or courier marked by **Tuesday, January 10, 2023.**

Collaborative Service

Significant institutional contribution working with another unit to achieve a goal. How did you discover an opportunity and assist a unit with a solution which benefited your institution?

Green Service

Instituted changes in operations which impacted recyclable, renewable, and sustainable environmental resources; or communicated your green efforts to your customers. What adjustments did you implement that increased your green reputation?

Accelerated Service

Successfully accomplished an extreme production deadline. Why was your mission impossible and how did you make it happen?

Distinctive Service

Achieved innovative goals for growth while continuing operational production demands. How did you continue daily production while implementing drastic changes such as new equipment installs, plant moves, or reorganization?

Impact WOW+

Significant institutional contribution that brought your operation recognition and the WOW+ factor from campus departments. This will be a project that you've accomplished that **doesn't fit into other categories**. Describe the entire project, how it was accomplished, who was involved, and what the end result was. This category does not require a production sample but you may provide samples, photos or video.

ACUP+ Achiever: *Please nominate a fellow member!*

ACUP+ member that demonstrates contributions and support that positively impact the ACUP organization throughout the year. How did this person contribute and what was achieved for the good of the association?

ACUP+ Hall of Fame: *Please nominate a fellow member!*

In-plant managers who exemplify the highest standards of service to their institutions along with contributions to the ACUP+ organization and the in-plant community as a whole. Have you run an operation while sharing your knowledge with other in-plants, contributing for the better of the industry? Nominate a colleague if you'd like to see special recognition for a mentor or retired ACUP+ member.
